Paul and Betty Hiscock are a unique musical evangelistic team, presenting their own memorable services of “Sermon ‘n’ Song”. They travel the country, combining Bible preaching with heart-warming songs of praise. Using full multi-media sights and sound, the thrilling life-testimony and stories behind many familiar gospel hymns are visually re-created.

The practical teaching of Biblical principles, congregational singing, and special instrumental/vocal music will re-connect the scriptures with the hymnbook. The congregation will sing with renewed enthusiasm the Gospel songs of salvation in Christ.
